

## Schedule of Events

This year's Earth Day theme is Restore Our Earth. From learning about eco-friendly simple solutions you can do in your everyday life to keeping track of how much waste you create in your own home, there are plenty of ways to get involved and learn how we can all help our planet. [Visit ScottsdaleAZ.gov](https://www.scottsdaleaz.gov/sustainable-scottsdale), search "[Sustainable Scottsdale](https://www.scottsdaleaz.gov/sustainable-scottsdale)."

### SIMPLE SOLUTIONS TO RESTORE OUR EARTH VIRTUAL

**6 to 7 p.m., Thursday, April 1**

Learn about Dorie Morales' journey with Green Living magazine, and her guide to a living a more sustainable life. She will walk you through a home tour and offer simple solutions to help you live a more eco-conscious life. [Read more](#) and [register here](#).

### SCOTTSDALE EDIBLE GARDEN WEBINAR VIRTUAL

**4 to 5 p.m., Thursday, April 15**

April is Earth Month and springtime in Arizona! Join master gardeners Joan Baron and Morgan Winburn as they share tips and planting ideas for your gardens. Learn more and register here. [Read more](#) and [register here](#).

### SCOTTSDALE PUBLIC LIBRARY GREAT WASTE AUDIT PROGRAM

**VIRTUAL**

**April 1-22**

You might be surprised what you find out when you join the Great Waste Audit. Not only can you learn for yourself and think about ways to change your waste and recycling habits, you can contribute to Citizen Science and be a part of a recycling research project for Earth Day 2021! Project worksheets with all the information you need will be available at all four library locations, in the buildings or at the drive-up windows, or you can [download the pdf here](#).

### VISIT SCOTTSDALE'S BUTTERFLY GARDENS Every day in April-May

Check out our butterfly gardens and learn about the importance of pollinators. [Learn more](#).

### SCOTTSDALE PUBLIC LIBRARY CITIZEN SCIENCE KITS VIRTUAL WORKSHOP VIRTUAL

**Every Wednesday through April**

Watch a quick video about a new experiment you can do every week to be mindful about the environment while contributing to scientific research projects.

- **April 7: Globe at Night.** Monitor how much light is in our skies and find out if it is keeping us from seeing stars.
- **April 14: Zombee Hunter.** Find out if the fly preying on honeybees is doing damage in your neighborhood.
- **April 21: Exploring Biodiversity.** Use your phone to learn about the natural world around you and share your findings with researchers.
- **April 28: Observing Pollinators.** Identify and count the bees and butterflies that visit flowering plants.

Tune in online via [YouTube](#) or [Facebook](#).

### OLD TOWN FARMERS MARKET

**Every Saturday through May, 8 a.m. to 1 p.m.**

Come and check out more than 100 local growers and specialty food producers. Be ready to find a wide variety of organic and pesticide-free produce. Visit the market in April to recognize Earth Day and learn how we all play a role in helping our planet. [Learn more](#).

### EARTH DAY VIDEOS IN APRIL

[Scottsdale Video Network](#) will be sharing informative videos from [our Sustainable Scottsdale YouTube playlist](#) every Friday, including a special extended version on Earth Day, April 22, with a video premiere discussing Green Building Programs with Anthony Floyd and Mayor David D. Ortega.
